NAÏF

About the brand

Clean Skincare for the Entire Family - Naïf Care was founded in 2013 in the Netherlands by Jochem and Sjoerd. As new fathers, they were surprised to discover that even baby skincare products often contained harmful ingredients. Determined to do better, they created Naïf: skincare for babies and kids made with only the natural ingredients young skin truly needs - gentle on the body and kind to the planet. Nothing more, nothing less. Today Naïf offers a full range of natural skincare for all ages, based on the belief that everyone deserves honest, effective care that's good for people and the planet.

Amenity collection

Naïf amenities are made with natural, skin-friendly ingredients, perfect for babies and young children. Free from harsh chemicals like parabens and mineral oils, these vegan and hypoallergenic products gently care for sensitive skin. With eco-friendly packaging and soft, allergen-free scents, Naïf offers a safe and sustainable skincare choice for little ones.
