OLAS

ORAL CARE Co

About the brand

Inspired by a deep respect for the healing power of the ocean, celebrated New York City dentist, ardent surfer, and advocate for cleaner oceans, Dr. Christopher Perez, DMD, created OLAS Wellness.

OLAS, which means “waves”, is a collection of dental health products that feature innovative formulas made with all-natural marine bio-active ingredients.

Amenity collection

The amenity collection includes an infusion of naturally rich sea salts and blue green algae, essential oils, antioxidant rich CoQ-10, and echinacea, completely avoiding the debriding effects of alcohol-based mouthwashes.

- Fluoride-free
- Free of artificial colors or fragrances
- Sustainable packaging options
